Call for papers

The sixth meeting of the Spanish Society for Analytic Philosophy (SEFA 2010) will be held on 14-16 October 2010 at the Faculty of Philosophy of the University of La Laguna (Tenerife, Canary Islands, Spain).

The Society welcomes submissions of **papers** on any philosophical topic, for 30 minutes talks followed by a 10 minutes discussion in either of the official languages of the conference, Spanish and English. The Society also welcomes submissions of **posters on predoctoral researches**. Posters will be displayed throughout the Conference as well as at designated poster session. The authors of each accepted poster (and who does not also present a paper) will pay only a half of the corresponding registration fee.

In both cases, submissions should consist of a detailed summary of the intended talk or poster (about 1000 words). Summaries are expected to indicate the topic, present the main thrust of the talk or poster, and provide a sketch of the main arguments. Please specify at the beginning of the summary the exact title of the talk or poster, your name and your address and e-mail. Decisions on acceptance will be based on this summary.

Please make sure that the document is in PDF formatted as follows: page settings DIN A4, all margins 3 cm, font TIMES NEW ROMAN 12 pt, single line spacing, title of the talk in bold, justified and centered. Please print name and address in standard (non-bold). Main text also justified in both sides.

Deadline for submissions

30 de abril de 2010.

Selection

All summaries will be blind-refereed. Efforts will be made to include in the program quality original papers from different philosophical disciplines. Notification of acceptance will be sent by June 15th, 2010.
